INTRODUCTION

The Temiscaming Titans Junior A Hockey team is pleased to present the following information to players looking to play in the Greater Metro Junior A Hockey league during the 2015-2016 season. The Temiscaming Titans are owned by 5 friends who are really passionate about hockey. Over the past three seasons, the TITANS Hockey program has made incredible strides both on and off the ice. Our record in the first four seasons is 143 Wins - 19 Losses and 6 OT Losses. We have won the Cup in 2014-2015 season and have also made it to the finals on two other occasions. The Titans play in front of the most passionate fans in the league and can draw anywhere from 300-700 fans per game

MISSION

The team primary mission is to provide each player with an unforgettable hockey and life experience. We want to prepare and help our players advance to higher levels of hockey whether it is NCAA and/or professional hockey; while as a club competing for a league championship. We also want to provide our fans with a great show night after night.

BILLET PROGRAM

All of our out of town players have the choice of either staying with a local billet family that are screened by the Temiscaming Titans Junior A hockey team staff or they can choose to stay in an apartment with their teammates. The cost is the same for both options.

EDUCATION

We have a high school (French or English) in town which is minutes from the rink. We also have an adult school which offers various adult education courses in both French and English. For players interested in post-secondary courses, they have the opportunity to attend complete college or university courses in North Bay which is 45 minutes from Temiscaming. Many post-secondary school players also opted for community college classes online that will transfer to any major university.
